Last Saturday's game against Southend ended with us sharing the points after looking dead and buried. After going two goals down, and with us not taking good chances I put on Darren Anderson for Ian Chandler, to see if we could salvage a point. Darren did fairly well and it's not the first time he's played up front as a youngster, he put some pressure on their defenders which resulted in a penalty for handball first of all, and then from a good Micky Ring cross he headed the equaliser. It was good to see some goals scored for us at home for a change, but we must be more ruthless and put some more chances away.

At Wolves on Tuesday night I introduced on loan Adrian Randall in midfield and pushed 'Ringo' up front with Glyn Riley. Wolves, as we all know, are a 'power side', they have a good strong side with two good strikers up front and they'll be very difficult to beat at Molineux all season. After half an hour or so there was a ricochet at the back which fell to Bull who put it away for the only goal of the game. I thought we did quite well during stages of the game, but good balls into the box went begging with no

one able to get on the end of them. Frankly during the first six games or so of the season we have had no real breaks in front of goal - let's hope that changes from now on in.

This week nineteen year old Scott Green, currently on Derby County's books, has been having a trial here at the Recreation Ground. I've been having a look at him but as these notes went to print no decision had been made regarding his immediate future.

It's one of those strange quirks of fate that sees us play the two teams we beat in the 'play offs' in the space of 5 days. After going to Wolves Tuesday we now face Bolton Wanderers here today. It's the first League meeting between the Shots and Wanderers who have had such a famous history and tradition in the game. A good game is in prospect - enjoy it.

Thanks for all your support.

NORTHAMPTON

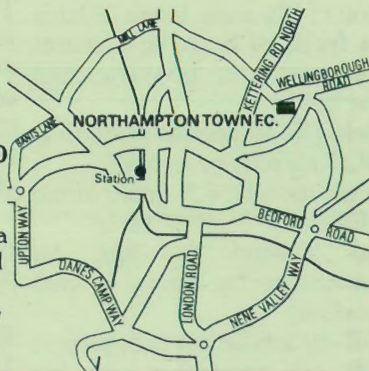

Saturday 1st Oct. 1988

Adults £7.00

Sen. Citizens/Juveniles £5.00

Depart 11.30 a.m. Redan Hill.

Supporters wishing to travel to Northampton **MUST** purchase a **ticket and Membership Card** from the Football Club and must produce both to gain entry to the County Ground at Northampton.

OFFSIDE A COMMON SOURCE OF MISUNDERSTANDING

A player can only be in an offside position, **when the ball is played** or touched by one of **his own team**, if he is **in front of it** i.e. he is nearer his opponents' goal-line than the ball?

Being in an offside position is NOT an offence in itself.

A player is **ONLY** guilty of the offence of offside if he is:

(a) seeking to gain an advantage by being in that position

OR (b) interfering with play

OR (c) interfering with an

opponent.

The Referee is the **sole judge** of (a), (b) and (c).

In any case, a player cannot be penalised for being offside if:

(d) there are at least two opponents nearer their goal-line than he is

OR (e) he is in his own half of the field of play

OR (f) he received the ball directly from a goal-kick, a corner-kick or from a throw-in.

Situations must be judged at **the moment the ball is played**, NOT when a player receives the ball.

Referees and Linesmen have to make instantaneous judgements involving **ALL** these relevant circumstances, often when things are changing very rapidly.

Linesmen signal **ONLY** for an offside **OFFENCE** and not merely because a player is in an offside position.

Players should play to the whistle, not to a linesman's flag signal. The linesman is the Referees' assistant, giving him information for **HIS** consideration.

The **REFEREE** is the sole judge finally in terms of whether play shall be stopped or whether it will be more advantageous to the non-offending team to allow play to continue.

As you can see there is a great deal to be considered.

CAPTAIN'S CORNER

Good Afternoon,
A very warm welcome to today's visitors, newly promoted Bolton Wanderers, who are managed by an ex-Liverpool colleague of mine, Phil Neal.

We came into today's game still looking for that elusive first win of the season but our performances of late have been promising so, hopefully, today will bring us three points.

Last Saturday's game against Southend United proved that the lads have the spirit and commitment to come back from the dead. Southend seemed to be coasting to victory at 2-0 but after my first goal of the season from the penalty spot it was all one way traffic and we fully deserved Darren Anderson's equaliser after good wing play from Ringo.

Tuesday evening's visit to Wolves brought back many happy memories to all the lads involved in the promotion play-off game 16 months ago. This time there was no champagne after the game because we lost it to Steve Bull's strike half way through the first half. Our performance certainly was one to give all at the club heart, but once again our fine approach play didn't reward us with a goal. Adrian Randall, our new loan signing from Bournemouth, made his Shots debut in this match and adapted himself quite well.

Finally, I received a postcard this week from David Coles.

Dave's currently playing for HJK Helsinki in Finland and he tells me he was a substitute goalkeeper in their recent European Cup tie. Incidentally, Dave's coach is the ex-Shots player, Alan Wooler. He asked me to send his best wishes to all Shots fans and hopes to come down to the Rec when he returns to England at the end of his season in November.

ADVANCE BOOKINGS

Any advance booking of seats for this coming season will have to be done at least 24 hours before the match in question. The ticket will be for an unreserved seat but choice of stand will be available subject to membership area restriction etc. Particular seats will however be reserved for guests of season ticket holders and for season ticket holders themselves on match days when their season ticket is not valid, i.e. Cup matches. Season ticket holders should also note that a match number will be displayed at the turnstiles for this coming season as matches will not be numbered consecutively from 1-23. It will therefore be necessary for them to carry their season ticket book and hand it to the gateman on entry for him to remove the correct match number ticket.

Ken Talks

My guest today is our Coach, who until two seasons ago used to play as well, but had to retire due to injury.

Ian Gillard was born on the 9th October 1950 at Hammersmith and after attending local schools, moved to Slough at the age of 8. Alec Stock, Manager of Q.P.R. signed him as an apprentice and he signed professional with them at 18 and spent 15 years with the club, having both good and bad times there. He served under 15 different managers, which according to Ian was unsettling and there was no real stability there. He made his debut in 1968 at home to Nottingham Forest, a game QPR won 2-1. In the early 70's he represented England under 23's on 6 occasions, and was very fortunate to travel a great deal with the squad all over Europe, making the most of seeing different countries.

Don Revie, the England Manager gave Ian his chance to play for England in 1975 when he invited him to join the squad. Ian remembers it well. "I thought how great it was to be invited to join them, but it was even better when Don told me I was actually in the team to play West Germany, we won 2-0 and playing in front of 100,000 is tremendous, the atmosphere was electric." Ian also played against Wales, 2-2 and Czechoslovakia, 1-2. Alec Stock is remembered by Ian as a lover of the game and he earned a lot of respect from Ian. He was also there when Tommy Docherty was Manager for 28 days at a time when the Club wanted stability, not the opposite. With the arrival of Terry Venables the Club saw an upsurge in their fortunes. In 1982 he came to the Shots as player/coach, he is a qualified F.A. Coach and now concentrates on this side of the game.

"What was your most memorable game?"

"I have two, the first is my first England game against West Germany in 1975 which we won 2-0. My other is the FA Cup Final against Spurs, which went to a replay where we lost 1-0."

"Where would you like to be if you could be a fly on the wall?"

"I would like to be inside the boardroom of a football club."

"What did you do in the summer break?"

"I did not have a holiday, just a few days at home and the rest of the time working in the office."

"If you won £100,00 tomorrow what would you do with it?"

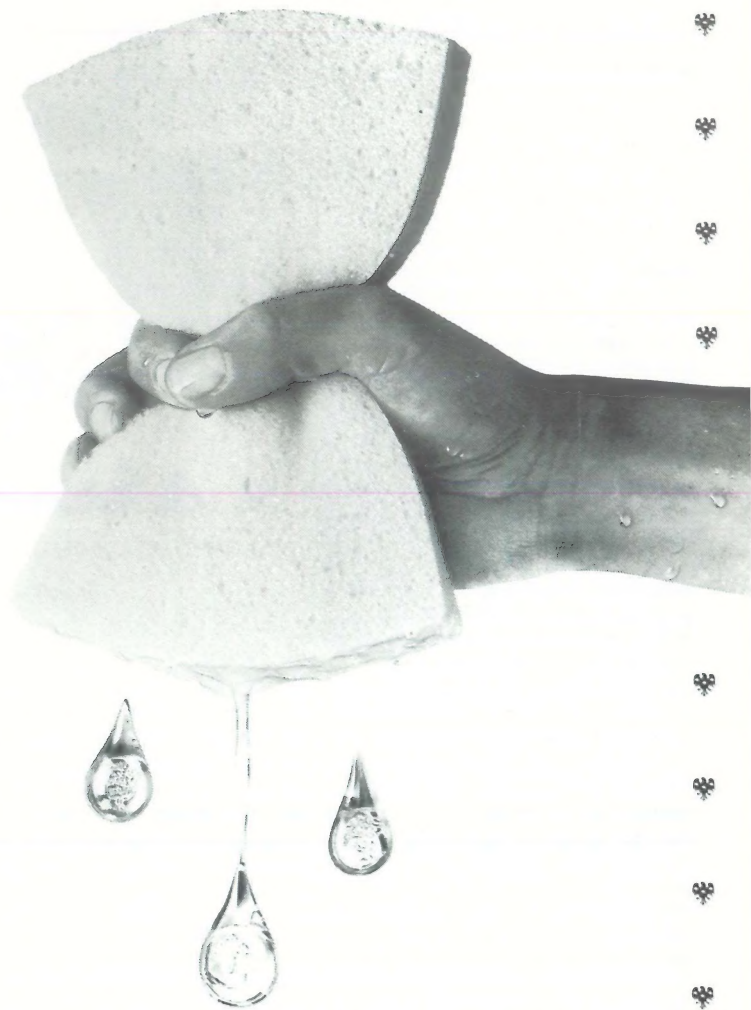

"Invest it in property."

"Leaving Aldershot aside, who do you think will get promoted and relegated from the Third Division?"

"I think Sheffield United, Northampton and Bristol City will go up, and Chesterfield, Cardiff and Preston will drop."

Ian is married to Rita and has a son, Nigel and lives in Sandhurst.

Visiting The Rec

Our last meeting with Bolton Wanderers was in the play-off tournament at the end of the 1986-87 season. Bolton were trying to avoid relegation from Division Three, Aldershot attempting to gain promotion from Division Four. Aldershot prevailed and this match witnesses Wanderers return to the Third Division, after winning promotion themselves at the end of last season.

Bolton have made a satisfactory start to the new season and on Tuesday evening snatched a useful 3-2 win over promising Fulham.

In the close season, the two chief additions to the staff have been defenders Phil Brown and Barry Cowdrill. Brown was signed from Halifax Town and had previously spent several seasons with Hartlepool United. Cowdrill was snapped up from West Bromwich Albion.

Since then another new face has been Blackburn Rovers and Oldham Athletic centre-back Glenn Keeley. He began his career with Ipswich Town and later moved to Newcastle United.

Last season's only ever present player in Wanderers League games was goalkeeper David Felgate whose association with the club began ten years ago. Actually he did not manage a League game in his first stint with Bolton; that experience did not arrive until he returned on loan to them!

He was loaned out for experience to several other clubs and has made outings for Rochdale, Crewe, Lincoln, Cardiff and was signed again from Grimsby. He has Welsh international honours to his credit.

Another ex-Bolton player who is in his second spell is striker John Thomas who was top League marksman for them last term with 23 goals. He was originally on the books of Everton but found his earliest games on loan to Tranmere and then Halifax. After his first stint at Bolton he played for Chester and Lincoln and rejoined Bolton from Preston.

Thomas has over 100 goals to his credit and this ton-up figure has also been passed by Bolton's other strikers Steve Elliott and Trevor Morgan.

Elliott who has played for Nottingham

Forest, Preston, Luton and Walsall is in his third season with the club while Morgan arrived from Bristol City last term.

Morgan was with Leytonstone and Ilford originally but came into the League with Bournemouth. He later played a short period at Mansfield before coming back to Bournemouth and then went to Bristol City. Exeter City was his next stop before moving to Bristol Rovers and then a second spell with Bristol City.

Midfield player Steve Thompson is in his seventh season with the club, centre-back Mark Came has been with the club six years since being signed from Winsford while both Tim Darby and Mark Winstanley, two defenders have been with Bolton for five seasons.

Attacking midfielder player Jeff Chandler is in his second spell at Bolton. He has served Blackpool, Leeds and Derby County as well and spent most of last season on the injured list.

Gary Henshaw another midfielder was signed from Grimsby Town last term as was defender Dean Crombie who began his career with Lincoln City.

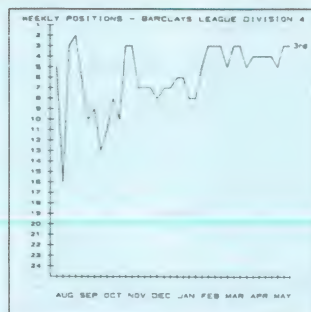

Player-manager Phil Neal of Liverpool fame is close to his 700th League appearance having ended last season on 697 during a career which began at Northampton. Another ex-Liverpool player is Rob Savage who was given his first taste of League football with Wrexham on loan and has since played for Stoke, Bournemouth and Bradford City.

Other players in their second season are midfield players Gary Brown who came from Blackburn Rovers, former YTS product Ian Callaghan, defender Paul Hughes and striker Ian Stevens who has made League appearances for Preston North End and Stockport County.

Completing the staff are Nicky Brookman, Peter Bell, David McKearney, Stuart Storer and Gareth Gray. Brookman is a midfield player in his third season, Bell was introduced last term and McKearney came from Prescot Cables as a striker.

Storer has played for Mansfield, Birmingham, Wigan (on loan) and first came to Bolton on a temporary transfer from Everton while reserve goalkeeper Gray hails from Darwen.

Scene 3

Sheffield United have already sent shivers down the spines of the other Third Division clubs and on Tuesday evening toppled leaders Northampton Town in a 4-0 win.

On the previous Saturday they had unusually had two players scoring hat-tricks for them in the 6-1 win over Chester. Brian Deane and Tony Agana were the marksmen in question.

Tony Adcock of Northampton hit all three goals for his team against Chesterfield on the same day, while on Monday evening Port Vale continued their impressive scoring form by scoring five without reply against the same Chesterfield outfit! Darren Beckford helped himself to three goals in this game.

Attendances are also up in the division compared with last season and are averaging nearly 5,000 per game which is encouraging considering the absence of Sunderland's big gates of a year ago.

Returning to the double-hat-trick performances of Deane and Agana for Sheffield United, Deane scored his three in the first half and Agana completed his trio after the break.

Both are new signings by United Manager Dave Bassett after the disappointment of relegation last season.

Cardiff completed the first round of the Littlewoods Cup by winning 2-0 at Swansea, no mean achievement considering they were a goal down from their home leg.

Jack Rollin.

ALDERSHOT FOOTBALL SUPPORTERS CLUB

Good afternoon. Today is the first time the Shots have played Bolton Wanderers in a Third Division fixture. We would like to offer a warm welcome to everybody connected with Bolton who have travelled down today

Have you joined the Supporters Club yet? Membership is only £1 and Trevor Best is waiting to 'sign you up' at Radio Shots. Membership is already up on last season but we feel it could and should be much higher.

In my last notes I mentioned the fact that there had been some changes in the Committee of the Supporters Club. Bill Warren has moved 'upstairs' to become our new President and Ian Read has moved into the position of Chairman. There have been a couple of additions to the Committee which now number thirteen. If you feel you have something to offer and are willing to give a commitment to the Committee come and see us at Radio Shots.

Last Sunday afternoon we sent two representatives to Slough Town Football Club for the meeting of the National Federation of Football Supporters Clubs. It became quite evident how important it is to get the message across that the Government will be legislating a Bill to make all 92 Football League grounds 100% membership. So everybody wishing to watch League football next season will need a membership card. As mentioned last Saturday the NFFSC have a petition opposing the motion and they need 100,000 signatures by October 18th before the Government will act. We cannot stress enough how important it is to sign this petition because if the Bill does go through there may not be football to watch here next season. A special thank you to Slough Town Supporters Club who made us feel extremely welcome.

The Supporters Club Sunday Side managed to overcome Fernhill in the Hants Junior 'B' Cup last week; although they did make hard work of beating a side three divisions lower. A powerful Lee Stapleton drive put AFSC a goal up, but Fernhill soon equalised. It was only in the last 15 minutes that they got to grips with it and Barry Harcourt netted two with Stewart Moseley keeping his record of scoring in every competitive game so far this season to make the final score 4-1. A fine performance from Steve Edwards in defence was also noted. Tomorrow sees League action vs The Golden Lion at Knellwood, Farnborough at 10.30 am.

Finally, those intending to travel to Northampton Town next Saturday must be in possession of a Match Day Ticket which is only available to Members of the Membership Scheme and can be purchased from the Club Offices - Price £2.50 after the match today. For details of transport contact Ian Read at Radio Shots today or call him on Farnborough 518088.

Enjoy the game and have a pleasant trip home.

GRAHAM BROOKLAND.

STENSON, John (Midfield)

John was born in East London and won England schools and youth caps before joining Charlton first as an apprentice then as a professional in December 1966. He made nine appearances before transferring to Mansfield in June 1969. In two and a half years he completed 107 appearances and 21 goals. A tireless midfielder player he also had a short period on loan to Peterborough before signing for Aldershot in July 1972. He helped the club to promotion in 1972-73 and scored Aldershot's first goal in Division Three with a sweetly struck shot from the edge of the penalty area which gave Aldershot victory over Walsall. John was released at the end of 1973-74 after 45 appearances and later became player-manager at Farnham Town.

STEPHEN, George (Full-back)

George joined the club as a 20 year old in the Army Catering Corps and made his debut and just one other appearance in the 1948-49 season before being released.

STEPNEY, Robbie (Wing-half

or inside forward)

Robbie played for both Horsham and Redhill as an amateur before coming to the attention of Aldershot manager Harry Evans. After an impressive series of pre-season trials he was offered professional status in September 1958. He scored an opportunistic hat-trick against Gateshead in his fourth Division Four match but gradually he developed into a midfielder player with an attacking role. During his service he played in every position including goalkeeper and in seven seasons made 213 League appearances, scoring 35 goals. He suffered cartilage trouble late in his career with the Shots and when released in the summer of 1965 joined Dartford and later Cambridge City and Maidstone.

STEWART, William

(Inside-forward)

William was born and bred in Scotland and joined Aldershot from St Mirren in June 1951. He was an inside-forward of ability

but lacked something in confidence and in three seasons he made only 25 appearances before being released.

STORRIE, Jim (Forward)

Jim began with Airdrie but became recognised as a goalscorer with Leeds United during the period from June 1962 to May 1967. He scored 58 goals in 124 appearances and returned to Scotland to join Aberdeen. But he was lured back to England by Tommy Docherty at Rotherham United in December 1967. There he scored 19 goals in 70 outings and Portsmouth secured his transfer in December 1969. He scored a ratio of a goal every three games with the Fratton Park club but when he was left out of the side Jimmy Melia signed him on a month's loan just before the March 1972 transfer deadline. He scored on his debut v Brentford but did not score again in four further appearances and returned to Portsmouth who then released him at the end of the season.

YOUTH TEAM ACTION

The Youth's last visitors to the Rec were Cowes Sports from the Isle of Wight. The game, played on Sunday, 11th September, resulted in a 0-0 draw. Although goalless, the game provided plenty of good football with plenty of action in both goal areas. I'm sure the small crowd were pleased with the performance of both sides on such a hot afternoon. Koo Dumbuya, our new YTS midfield player, was the pick of our side, but on the whole it was a good team performance.

Sunday, 18th September - Drayton Park versus Aldershot Youth

In glorious sunny weather at Portsmouth, Aldershot Youth Team turned on the 'heat' to overrun Drayton Park. The final score of 12-0 confirmed Aldershot's superiority. The half-time score of 5-0 included a hat-trick by our new YTS centre forward player, Gary Cable and two goals from the ever present Paul Coombs.

Shots pressure didn't relent in the second half with goals from Coombs (3), Pipkin (2) Steve Beeks (1) and an own goal to add to Drayton Park's misery.

Finally, tomorrow (25th) the lads play at home to League leaders Gosport Borough, kick-off 2.30 p.m., then on Wednesday (28th) they entertain Newbury in the F.A. Youth Cup 1st Round Qualifying match, kick-off 7.30 p.m. Your support would be very much appreciated by the lads.

HELPING THE GAME

The Football Trust receives £9 million annually from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zetters and spends it all on projects which benefit football throughout the United Kingdom.

Since 1979 it has been committed to the development of the game at every level and its broad and varying initiatives have ranged from essential safety work at Tottenham to social work at Torquay, refurbishment at Wembley to repairs at Welling, closed circuit television at all League clubs to community facilities at Oldham Athletic, transport improvements at Sheffield Wednesday to storm damage in the South East of England, from policing costs at Hull City to an artificial pitch at Hyde United.

1988-89 will see The Football Trust increase its commitment by investing further sums in closed circuit television, transport facilities for supporters and projects to bring Football League clubs closer to their local community.

At the beginning of the season more than 110 League grounds in England, Wales and Scotland will be equipped with CLOSED CIRCUIT TELEVISION which has been funded by The Football Trust.

It is there to increase crowd safety and to help the police. Recording facilities enable film and photographs to be taken of disorder, which may subsequently be used in a court of law.

CLOSED CIRCUIT TELEVISION

SAFETY FIRST

Football grounds in England and Wales have reached their highest ever level of safety thanks to the £23,671,425 invested by the Football Grounds Improvement Trust since 1975.

Almost every League club has been assisted with essential safety work and further substantial sums have been spent to enable them to improve facilities. In the past year alone FGIT grants to Football League clubs totalled:

	£
Safety	2,254,723
Improvements	770,561

In addition to its safety programme, FGIT has also allocated £1.5 million to build or improve family and disabled facilities at League grounds during 1988.
